QUARTER, HALF OR WHOLE ANIMAL

\$3/lb hanging weight - You pay per pound of hanging weight + processing fee.

How it works:

We will coordinate a date for your animal to be processed. When it is time for your animal to be processed, we will contact you, let you know the hanging weight and connect you directly with our processor Marchant's Meats in Brussels, Wis.

You let the processor know what cuts you would like. Processing costs are paid directly to the butcher and \$3/lb hanging weight is paid to Brey Family Beef. Pick up your animal from Marchant's when it is ready, take it home and enjoy!

Example: Quarter animal

\$3.00/lb x 200 lbs hanging weight + \$180 processing (\$0.75/lb + fees)

Take home meat = ~ 60% of hanging weight, ~ 120 lbs

(80 lbs hamburger, 20 lbs steaks, 20 lbs roasts depending on choice of cuts)

\$780 total, \$6.50/lb for all cuts

final cost and total weight of meat will vary slightly depending on animal
